Secure the Border! RCRHC is supportive of **Governor Abbott's** Secure the Border efforts. Securing the Border is a Federal, State and Local problem. The **"Invasion Declaration"** presented by Ray Myers at the Secure the Border RCRHC Meeting is important. The **"Invasion Declaration"** was approved at the County Commissioner's Court. The significance of this vote is reflected in the understanding that Rockwall County is directly affected.

Parents' Rights The Texas State Board of Education has decided not to take its vote of the new Social Studies curriculum. The process slowed down because of statewide concerns. Please continue to reach out to SBOE to let them know your concerns on the new curriculum. Let your voice be heard! They will eventually vote and this is one way to ensure our children are protected.

Senator Dawn Buckingham— Texas Land Commissioner

Dr. Dawn Buckingham is a Republican senator, an experienced oculoplastic surgeon, an avid hunter, a seventh-generation Texan, and a lifelong conservative fighter.

In 2016, Buckingham made history by becoming the first woman elected to represent District 24, a 17-county region of West Texas and the Texas Hill Country, and first ever Republican from Travis County to serve in the Texas Senate. In the Texas Senate, Buckingham continues to work tirelessly to secure our border, defend our constitutional rights, protect the unborn, and uphold our traditional Texas values.

During the past legislative session, Dawn helped pass one of the most conservative legislative agendas in history, including constitutional carry, landmark election integrity reforms, banning the teaching of Critical Race Theory in our schools, stopping liberal cities like Austin from defunding the police, and passing the Texas Heartbeat Protection Act—the strongest pro-life law in the nation. Buckingham is the proud author of the only piece of legislation that protects Texas' historical monuments like the Alamo and (Continued Page 3)

Dawn Buckingham—Best Choice for Land Commissioner (continued from Page 1)

passed a law requiring all professional sports teams in Texas to honor our veterans by playing the Star-Spangled Banner before taking the field.

Dawn grew up in League City, Texas before moving to Travis County to attend Westlake High School. Being the fiscal conservative she is, she lived at home and worked two jobs to pay for college and graduated from the University of Texas at Austin before attending medical

school at the University of Texas Medical Branch in Galveston. After medical school, Dawn moved back to Travis County to launch her successful surgical practice.

As Texas' first female Land Commissioner, Dawn will protect our proud Texas history and fight back against the Biden Administration's assault on our state's oil and natural gas industry. Buckingham will honor our brave veterans by

providing them with the help and resources they deserve and manage the state's Permanent School Fund to provide every child in Texas with a quality education that prepares them for the future.

Dawn and her husband Ed (also a surgeon) have two children in college and reside in Lakeway, Texas.
